

History

The Maxwell C. King Center for the Performing Arts, located on the Melbourne campus of Eastern Florida State College (formerly Brevard Community College), was established to enrich the cultural and educational opportunities of Florida’s Space Coast. As a Direct Support Organization of Eastern Florida State College and a 501(C)(3) NOT-FOR-PROFIT Organization our goal has always been to enhance the lives of our community. We are committed to providing a facility that encourages easy accessibility for our patrons.

Mission Statement

To improve the quality of life for all residents of Brevard County through cultural, educational, recreational and community arts programs, by providing access to high quality, challenging and diverse touring and local performing arts events.

Ticketing for Patrons with Disabilities

The Ticket Office designates a fixed number of seats for patrons with disabilities. These seats are sold on a first come, first served basis. Two weeks prior to an event, any remaining unsold seats may be released for general sale. Notification of a need for these reserved seats is critical and *MUST* be made at the time of ticket purchase.

Accessibility

The King Center has been designed to make patron accessibility as easy as possible. A drop-off area, with curbside assistance, is available under the covered drive-through in front of the building off the Post Road entrance. Accessible Parking is limited and available on a first come, first served basis. There is ramp access from the parking lot to the building. Please plan to arrive early.

Available Facilities

- First floor restroom facilities are equipped for patrons with disabilities. Should you require assistance, please notify a King Center volunteer usher.
- Emergency exits are clearly marked and the King Center volunteers are available to provide immediate assistance.
- Elevator access to the Grand Tier (opening directly across from row PP) and the King Center’s Crown Club is located on the north side of the building to the left of the main entrance.
