

Fall Groups 2014

Peel Children's Centre is pleased to offer the 2014 Fall Group Series. These groups are designed to:

- Provide information for parents on specific issues;
- Give opportunities for parents and/or children to interact and learn from each other; and
- Help parents and children develop strategies for coping with the concerns in their lives.

These are all offered **free of charge**. Groups are facilitated by Peel Children's Centre staff. Childcare is also available for most groups. Childcare groups provide structured activities focused on encouraging cooperation and enhancing social, problem-solving and coping skills.

To register for any of these parenting groups, please call **Mental Health Services for Children and Youth** (Centralized Intake) at **905-451-4655** unless another phone number is given.

Note: Some groups require an assessment at Peel Children's Centre in order to determine appropriateness for a specific treatment group.
