

FLORIDA  
PROFESSIONAL  
PRESENTERS  
CONSORTIUM

## WHO WE ARE

The Florida Professional Presenters Consortium represents performing arts facilities, centers and public venues throughout Florida, from Panama City to Key West.

## WHAT WE DO

Florida Presenters is committed to strengthening Florida's quality of life, economy and communities through the business of culture and education.

# IMPACT

## ECONOMIC

Performing Arts Centers contribute **\$635,830,743** to Florida's economy. More than **7,466,129** residents and guests have visited our venues in the most recent season.

## COMMUNITY

We work to encourage our members as they hire and cultivate more leaders of color, to serve as allies to the BIPOC community, and to present programming that represents and empowers the diverse communities we serve.

## EDUCATION

Research proves that students who engage in the arts perform better academically, are more likely to graduate, and are better prepared to succeed professionally. Our education programs serve nearly **500,000** students each year.

## REVENUE GENERATOR

FPPC Performing Arts Centers contribute **\$28,467,169** to local government revenue and generate **\$34,471,087** for the state of Florida.

## JOB CREATOR

Our activity supports the full time equivalent of **18,995** jobs, supporting more than **\$458,000,000** in household income.
