MISSION STATEMENT:

To provide the community with a home for the performing arts that entertains, educates, and stimulates the growth of artistic integrity and experience for everyone.

ABOUT THE LYRIC THEATRE:

The Lyric Theatre has played a leading role in bringing quality entertainment to the Treasure Coast since the facility opened its doors in 1926. Listed on the National Register of Historic Places, this cultural showpiece is a keystone of downtown Stuart. Few such theater landmarks remain, but thanks to the support of community members, The Lyric was rescued from a similar fate nearly two decades ago.

Today, tens of thousands of area residents come to The Lyric each year to enjoy a wide range of concerts and artistic performances in this intimate and acoustically superior venue. The Lyric is also a rental facility, hosting a variety of private, civic and charitable events annually.

The LYRIC THEATRE seats 500 and has a 22' X 30' stage and features whisper-perfect acoustics. This grand old theatre represents a colorful history in our community as a central gathering place for young and old alike.

Thanks to our supporters, the preservation of The Lyric Theatre continues for the cultural benefit of the Treasure Coast!
