The Lyric Theatre along with the support of Women Supporting The Arts is committed to strengthening our commitment to educate and inspire our leaders of tomorrow by providing access to the performing arts.

Providing access to arts and culture is essential to strengthening the power of change, making Martin County a better place to live, work and play. It is well documented that arts and cultural programs offer enrichment, inspiration, education and entertainment to individuals and communities. For children involved in the arts, they are usually more successful in school, more confident, knowledgeable and well-rounded.
