

Director's Circle

Our prestigious Director's Circle offers you an opportunity to support The Lyric through a flexible sustained giving program. The majority of Director's Circle members prefer to make annual payments over five (5) years, although others decide to honor their commitment by making their payment for a shorter period of time or in one payment. It's entirely up to you.

Gift Levels include:

\$2,500 annual gift over five-year period – Recognition level \$12,500
\$5,000 annual gift over five-year period – Recognition level \$25,000
\$10,000 annual gift over five-year period – Recognition level \$50,000

Exclusive Benefits of Director's Circle:

Personal Concierge Service

A special benefit of Director's Circle membership is The Lyric's personal Concierge Service. This valuable service provides you first notification of all the new -- and added -- shows. This gives you an opportunity to purchase the best seats for shows of your choice. You may also place tickets on-hold and you have full no-charge cancellation and exchange privileges. You will be given the direct contact information you need to make all of your personal requests quickly, easily and efficiently.

Recognition on the Lobby Wall

The Director's Circle Wall in The Lyric's lobby prominently displays all individual and corporate members. Your nameplate is engraved with the name(s) you choose and the size of the nameplate is commensurate with your total gift.

Exclusive Parties

As a Director's Circle member, you will be invited to exclusive parties at The Lyric. Either held in the lobby or on stage where walking the Red Carpet makes the party even more special, these highly anticipated parties feature delicious food, beverages, entertainment and wonderful opportunities to mingle with old friends as you make new friends.

Recognition in the *Lyric* Magazine

Each quarter, the *Lyric* Magazine recognizes the importance of the Director's Circle by allocating a full-page to it. Your name will be listed on this page along with all of the active Director's Circle members.
