See. Hear. Feel. Live. Together.

Live entertainment is powerful. It is one of the greatest gifts we can experience. The importance of the cultural, social, health, and economic impacts is powerful beyond measure.

Each of us carries our own individual passions, experiences, and perspectives, and live entertainment can take us on a communal journey together. It is one of the most thoughtful ways we can enjoy each other's company. It bridges linguistic and cultural divides and is a vehicle for identity and expression.

Live entertainment has a significant impact on our physical and mental health. It helps us relax and to relieve stress, anxiety, and pain. It helps us express our emotions and feelings, improves brain function, and provides an escape from our everyday lives.

Live entertainment is an essential part of our local economy and provides an opportunity for our local businesses to gain from these benefits. It fuels jobs and income for musicians, backstage crew, servers, bartenders, hotel staff, production companies, restaurants, retail stores...the list of those that benefit is endless.

Live entertainment inspires future generations to put their stamp on society and culture. Without a platform to see live entertainment, it would be much more difficult for young people to aspire to become performers and patrons of live entertainment.

The live entertainment we provide here at The Lyric is integral in strengthening our Treasure Coast Community. We strive to make live entertainment affordable and accessible to all. We want to make it possible for everyone who wants to experience the power of live entertainment.

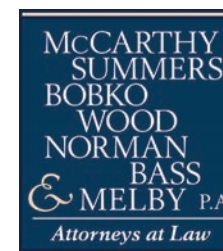

The Lyric is where we all can all SEE. HEAR. FEEL. LIVE. TOGETHER.

Musically yours,

Kia Fontaine

HISTORICAL LYRIC

A Brief History

Weaving together the history of The Lyric Theatre over the past 96 years is a story of community, commitment and connection. A community who joined together to support and save this historic treasure is our story. The thriving Lyric Theatre we now know is a testament to you, our Community.

1913

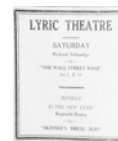

Spring of 1913
Construction for The "first" Lyric began on Osceola Avenue near Belle Flora and opened for its first performance a year later.

1917
The "first" Lyric was abandoned and moved to a little wooden structure on Osceola Avenue.

June 1925
Judge JC Hancock began construction of the new Lyric Theatre.

1930
Newly equipped with a RCA Photophone, *Danger Lights* was screened as the first "talkie."

1926
The Lyric opened with the feature picture *Skinner's Dress Suit*. Cost of construction was \$100,000 and was the largest building in Martin County.

1936
The Hancocks fell on hard times during the Great Depression and sold The Lyric to the bank.

1936-1978
The Lyric was rented out to community groups and was used to present traveling vaudeville shows, news weeklies, movies and eventually, a Performing Arts Auditorium.

1978
The Lyric was purchased by the New Life in Christ Church and used for weekly worship services.

1988
Friends of the Lyric purchased the historic theatre.

1987
The Lyric was put up for sale. Seen as an anchor and much needed entertainment center, Roy Laycock entered into a contract to purchase the building. Believing the community should own The Lyric, Roy gathered a group of people with fundraising and operational backgrounds to ignite and support his vision.

1989
Friends of the Lyric became a 501(c)(3) not-for-profit organization.

1991-1995
With grant funding from the State of Florida, National Endowment for the Arts and local community funding and support, The Lyric underwent needed stabilization and repair: new roof and air-conditioning systems, ADA Compliance alterations, Box Office construction, marquee improvements and remodeling of the lobby, restrooms and dressing room.

1993
The Lyric Theatre was listed on the National Register of Historic Places.

1996
New Orchestra seating was installed and administrative offices constructed.

1999
Vacant lot to the north of The Lyric was purchased for a future expansion.

2001
The balcony of the theater was remodeled for the installation of new balcony seating, an elevator was installed and refurbishment of the lobby and restrooms.

2005
The Lyric expansion was completed, enlarging the stage 14 feet and adding a backstage equipped with a restroom and office/storage areas.

2014
A Capital Campaign resulted in substantial renovations to the lobby and box office, new exterior and interior entrances, new orchestra seating, new sound system and architectural elements added to the walls and columns.

2015-16
The Lyric's proscenium was ornamented in an Art Nouveau style. The elegant design, artistry and craftsmanship of the trompe l'oeil art technique were added throughout The Lyric including the balcony parapet, doorway transoms and interior theatre walls.

2021
With amazing community support for the Next Act Capital Campaign, The Lyric underwent critical structural and building renovations. Substantial structural column and beam replacement/repairs, new roof, new air conditioning units with state-of-the-art air purification systems, new signage to replicate the historic "blade" sign of The Lyric's past and restoration of the marquees.

2020
The Lyric was shuttered by the COVID-19 Pandemic.

October 1, 2021
The Lyric reopened.

THE LYRIC'S 2023 SUMMER CAMP WAS **AWE, THAT'S SO ME!**

The LASC ended with a blast! As a first year director, I learned alongside the campers about the power of small acts of kindness and friendship. Huge thank you to our returning group counselors and our new music, dance, and drama directors who stepped up to continue the magic of LASC. Between peacing out and finding home, campers learned invaluable skills to take with them to school and beyond. We could not do what we do without your continued support, camp changes the lives of all who experience it. I hope to see you (and your camper) next summer!
