## See. Hear. Feel. Live. Together.

Art is a body of work sharing how an artist experiences the world—an expression of thoughts, emotions, intuitions, and desires. It tells a story or conveys a message. The beauty of art is that it also allows the receiver to interpret as they see and experience the world; it can be an extension of our own personality.

Those of us who enjoy art were moved by it at some point in our lives. Once you get a taste of it, you want to relive that experience again and again. We seek it out. We want to feel it. We want to see it. We want to hear it.

This season, we have a diverse and fantastic lineup of shows and keep booking more...We have just added eight new shows! The Del McCoury Band, Tab Benoit, The Weight, and The BoDeans, to name a few. Check out "Swing By The Lyric" for the entire lineup (pg 12).

BUT the show I look forward to the most is our Youth Arts Celebration! This is not your cafetorium presentation. You will not be tortured with screeching strings and singing out of key (I promise). These performers have practiced tirelessly to hone their crafts and audition for this opportunity to perform on our historic stage. The Youth Arts Celebration is a dynamic talent showcase that reflects the diversity of our programming all in one night.

So, if you want to get moved again by some outstanding art, come out and support these performers on April 7th, 2024 at 6:00pm. If you know a youth performer who should come out and audition, make sure they know there is an opportunity for them. Help us pack the house and show support for their dedication and talents. Ticket sales and sponsorships for the Youth Arts Celebration fund our Arts & Education Programs, where children from diverse backgrounds experience the magic of performing arts and grow as individuals, performers, patrons, and future community leaders (pg 59).

Be a contributor to keeping art alive for future generations so they, too, can be moved mentally, physically, and emotionally, just like when you first experienced it at some point in your life!

Musically yours,

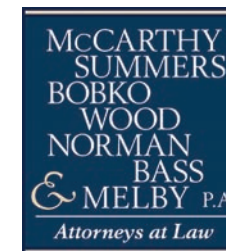

Kia Fontaine  
President / CEO

**The Lyric Theatre's Mission** "To provide the community with a home for the performing arts that entertains, educates, and stimulates the growth of artistic integrity and experience for everyone."

# HISTORICAL LYRIC

## A Brief History

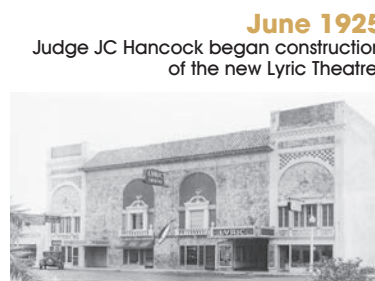

Weaving together the history of The Lyric Theatre over the past 96 years is a story of community, commitment and connection. A community who joined together to support and save this historic treasure is our story. The thriving Lyric Theatre we now know is a testament to you, our Community.

1913

**Spring of 1913**  
Construction for The "first" Lyric began on Osceola Avenue near Belle Flora and opened for its first performance a year later.

**1917**  
The "first" Lyric was abandoned and moved to a little wooden structure on Osceola Avenue.

**June 1925**  
Judge JC Hancock began construction of the new Lyric Theatre.

**1930**  
Newly equipped with a RCA Photophone, *Danger Lights* was screened as the first "talkie."

**1926**  
The Lyric opened with the feature picture *Skinner's Dress Suit*. Cost of construction was \$100,000 and was the largest building in Martin County.

**1936**  
The Hancocks fell on hard times during the Great Depression and sold The Lyric to the bank.

**1936-1978**  
The Lyric was rented out to community groups and was used to present traveling vaudeville shows, news weeklies, movies and eventually, a Performing Arts Auditorium.

**1978**  
The Lyric was purchased by the New Life in Christ Church and used for weekly worship services.

**1988**  
Friends of the Lyric purchased the historic theatre.

**1987**  
The Lyric was put up for sale. Seen as an anchor and much needed entertainment center, Roy Laycock entered into a contract to purchase the building. Believing the community should own The Lyric, Roy gathered a group of people with fundraising and operational backgrounds to ignite and support his vision.

**1989**  
Friends of the Lyric became a 501(c)(3) not-for-profit organization.

**1991-1995**  
With grant funding from the State of Florida, National Endowment for the Arts and local community funding and support, The Lyric underwent needed stabilization and repair: new roof and air-conditioning systems, ADA Compliance alterations, Box Office construction, marquee improvements and remodeling of the lobby, restrooms and dressing room.

**1993**  
The Lyric Theatre was listed on the National Register of Historic Places.

**1996**  
New Orchestra seating was installed and administrative offices constructed.

**1999**  
Vacant lot to the north of The Lyric was purchased for a future expansion.

**2001**  
The balcony of the theater was remodeled for the installation of new balcony seating, an elevator was installed and refurbishment of the lobby and restrooms.

**2005**  
The Lyric expansion was completed, enlarging the stage 14 feet and adding a backstage equipped with a restroom and office/storage areas.

**2014**  
A Capital Campaign resulted in substantial renovations to the lobby and box office, new exterior and interior entrances, new orchestra seating, new sound system and architectural elements added to the walls and columns.

**2015-16**  
The Lyric's proscenium was ornamented in an Art Nouveau style. The elegant design, artistry and craftsmanship of the trompe l'oeil art technique were added throughout The Lyric including the balcony parapet, doorway transoms and interior theatre walls.

**2021**  
With amazing community support for the Next Act Capital Campaign, The Lyric underwent critical structural and building renovations. Substantial structural column and beam replacement/repairs, new roof, new air conditioning units with state-of-the-art air purification systems, new signage to replicate the historic "blade" sign of The Lyric's past and restoration of the marquees.

**March 2020**  
The Lyric was shuttered by the COVID-19 Pandemic.

**October 1, 2021**  
The Lyric reopened.
